

AMERICAN
INDIAN
COLLEGE FUND

Anpetu Waste Mitakuyepi,

Good day friends and relatives, I am honored to welcome you to one of the most special locations on the American Indian College Fund's website: www.collegefundlegacy.org. Here you have the opportunity to learn more about how you may share your legacy of commitment and support of American Indian students and tribal colleges.

As you consider the ways that you can support a better quality of life for the indigenous people of the United States, I invite you to share our vision. We believe that the best quality of life is one where the individual lives well within their family and community, making good choices, and providing for their loved ones. Your legacy gift as part of our Circle of Vision will help that vision come true by providing for a higher education for Native people, helping them to live a better life.

Your gift is transformative – it will change the lives of our students and it will influence the future of American Indian and Alaska Native people for generations to come.

Wopila,
Thank you

Cheryl Crazy Bull
President and CEO
American Indian College Fund
